**LETTER REGARDING CORRECT POWER OF ATTORNEY**

Honorable Director of Patents and Trademarks  
P.O. Box 1450  
Alexandria, VA 22313-1450

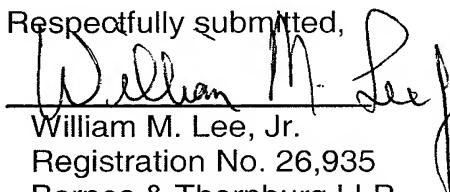

Dear Sir:

When this application was filed, an Assignment was submitted to the Patent and Trademark Office but apparently went astray. Accordingly, the Assignment has been, concurrently, recorded with the Patent and Trademark Office, and the Patent and Trademark Office will see that interests are vested in Nortel Networks Limited.

The appropriate Declarations have already been submitted to the Patent and Trademark Office, and copies are submitted herewith for sake of completeness. An appropriate Power of Attorney was submitted to the Patent and Trademark Office by e-mail filing on March 28, 2008, changing the power to the firm of the undersigned (Customer No. 23644). With that power being properly set forth, it is requested that the Patent and Trademark Office properly direct all future papers to the firm of the undersigned (at the address associated with Customer No. 23644).

March 5, 2008

Respectfully submitted,

  
William M. Lee, Jr.
